I am raising money to save the day for Heart Heroes and their families. Besides participating in this fun event that will help keep me active, I am helping to support children born with congenital heart defects (CHD). Over 40,000 children are born each year in the U.S. alone and thousands will not live to see their next birthday. Money for CHD research is vastly underfunded and I want to do my part. Please sponsor me in my efforts. All proceeds benefit our local CHD families with Support Programs, Heart Hero Capes, and CHD Research.

My Goal is to Raise:

Please make checks payable to Heart Heroes, Inc. Please include mailing address if you would like a tax-deductible receipt. Donations can also be made at superheroheartrun.com
